Safety Information

USE CAUTION

Never leave this product in the open position overnight or while away. Weather conditions causing gusting winds could result in damage to this product. If you notice excessive swaying or movement in windy conditions, close the umbrella.

Under no circumstances is the manufacturer responsible for any damage caused by or to the umbrella resulting from, but not limited to, any weather-related causes.

READ BEFORE USE

Before using the umbrella, you must do the following:

1. Install the chosen accessory base appropriately, according to the instructions

OR

2. Get four (4) 18"-20" patio stones (or similar) weighing at least 35 lbs each. Place one (1) patio stone on each of the four (4) sides of the umbrella's cross base legs. The total weight of all four (4) patio stones should be at least 140 lbs. You can use heavier stones if desired.

Before using the lighting system, you must do the following:

1. Insert the INPUT end of the transformer [part #118] into a 120V power supply.
2. Insert the OUTPUT end of the transformer [part #118] into a power socket.

Warranty Information

ONE (1) YEAR - Frame & Fabric Warranty

The manufacturer warrants that this umbrella, when subject to normal and proper use, will be free from manufacturing defects for a period of one (1) year from the date of purchase. Should any defect occur during the specified time period, the manufacturer will repair the defective product, or provide replacement parts and components material, at its own option. Damage caused by wind/weather is not covered under this warranty. It is recommended to close the umbrella during inclement weather, high winds, or when not in use. The manufacturer also reserves the right to issue a full refund of the purchase price in lieu of repair or replacement. **This warranty is not transferable.** This warranty replaces all other oral or written warranties, liabilities or obligations of the manufacturer. Pertinent state law shall control for what period of time following the purchase a consumer may seek a remedy under the implied warranty of merchantability or fitness for a particular purpose. In no event shall the manufacturer be liable for consequential or incidental damages of any kind resulting from the breach of this warranty. Some states do not allow limitations on - or the exclusion of - incidental or consequential damages, so the above exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
